

Shaurya 2024-2025

Indian Institute of Technology Kharagpur

Sponsorship Proposal

Power Grid Corporation of India

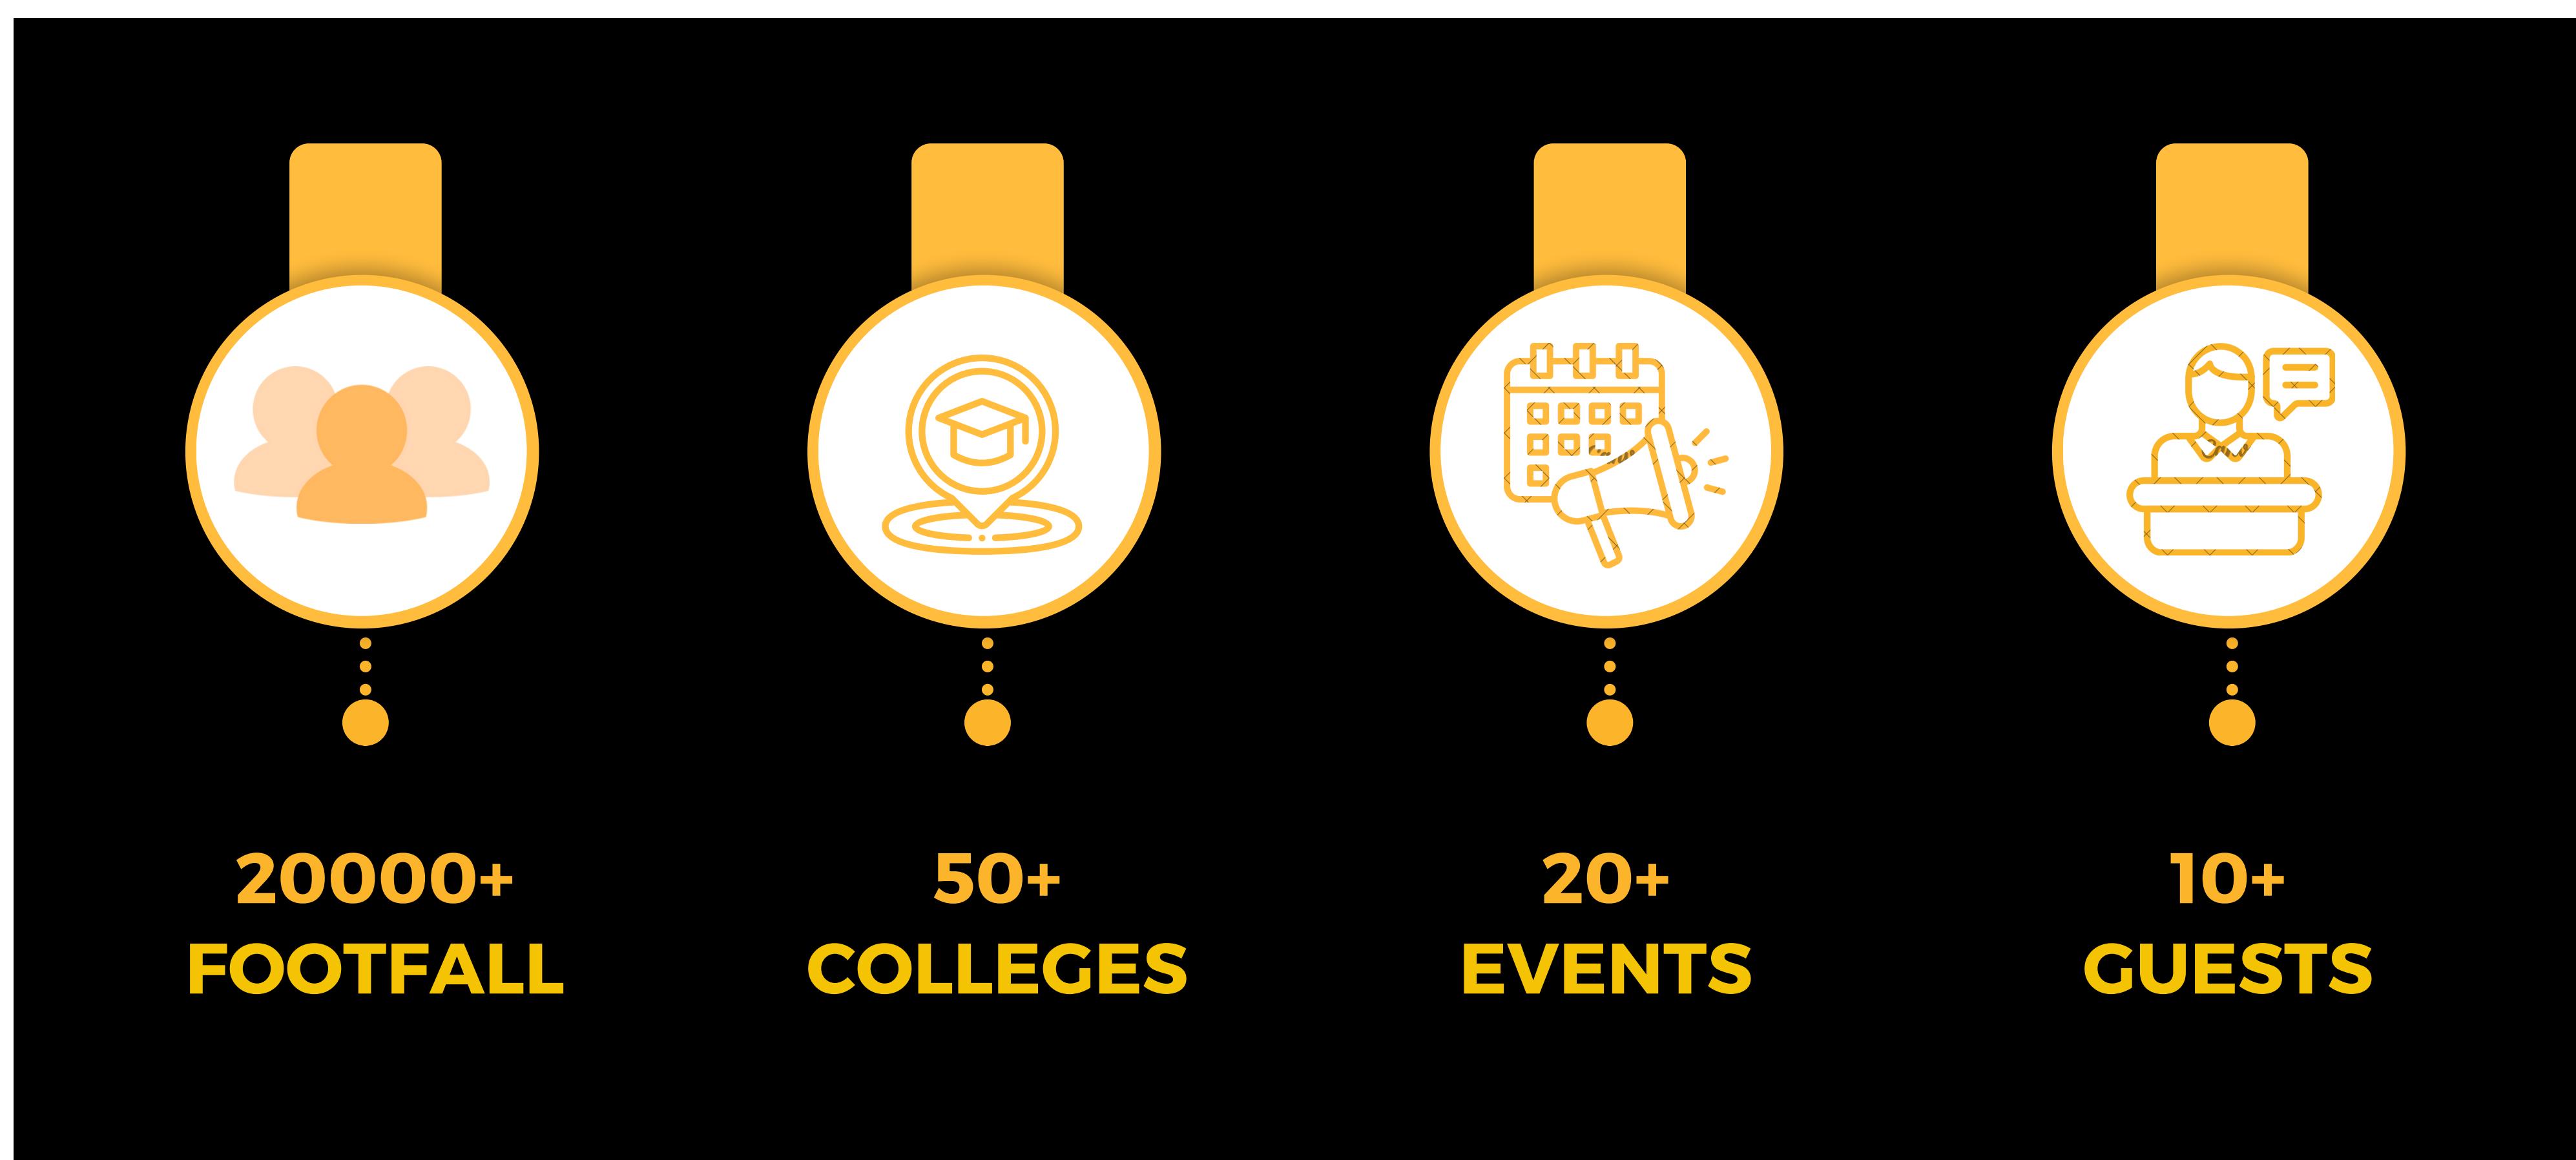

ABOUT SHAURYA:

Shaurya is the annual sports festival of the Indian Institute of Technology (IIT) Kharagpur. It is one of the largest inter-collegiate sports fests in India, attracting participants from colleges across the country. Shaurya will provide a platform for students to showcase their sports skills, engage in healthy competition with their peers, and learn from professional athletes.

The fest will comprise a wide range of sports and games. The events will be organized into men's and women's categories, and students will be able to participate in multiple events if they wish. Shaurya will aim to promote a culture of sports and fitness among students and inspire them to pursue a healthy lifestyle. It will serve as a platform for students to interact with professional athletes, gain valuable experience and knowledge, and network with peers from other colleges.

Our Highlights:

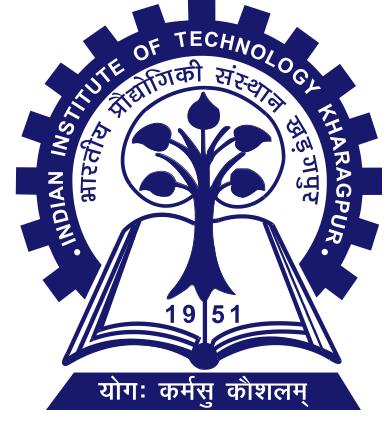

WHY SHAURYA?

- **Targeted Brand Positioning:** Direct access to a highly engaged and influential audience, including students, faculty, and industry professionals.
- **Campaign Platform:** As the 70% of footfall belonged to the age group of 18-25 years, This could be a great opportunity to promote new initiatives and campaigns in a dynamic environment.
- **CSR Alignment:** Showcase commitment to youth empowerment, education, and sports through impactful CSR activities.
- **Prestigious Association:** Enhance brand credibility by partnering with IIT Kharagpur, a globally recognized institution.
